

Project Graduation

CLASS OF 2027

August 2026

The Stephen F. Austin High School Project Graduation (ProGrad) Senior Celebration will take place in May 2027 at the high school. ProGrad was created more than 40 years ago and is a nationally recognized celebration that provides a safe, supervised and alcohol and drug-free night for graduating seniors. It's a fun event with all kinds of entertainment, food, prizes, etc. It is always a memorable night for the seniors.

By giving to this annual event, you would be supporting the seniors in our community as they move on to their big, bright futures. Because of our sponsors, we will be able to provide a safe and fun way for our seniors to celebrate their accomplishment and remember their time at AHS and this community fondly.

Attached is a copy of our Sponsorship Opportunities that outline the different levels and their benefits. If you are not able to make a monetary donation, maybe you would like to participate in this important event through an in-kind donation of gift cards, event tickets, electronics, etc. that we could use for prizes throughout the event. Please complete the two-step sign-up process in order to give our students credit and to process payments.

The event traditionally attracts more than 400 seniors along with several parent volunteers, faculty and staff. We give our donors and sponsors great publicity in communications leading up to the event, as well as through signage and announcements throughout the evening.

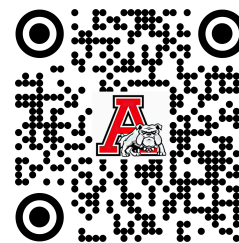

Contributions to AHS Project Graduation are tax deductible under Tax ID 76-0504277. We thank you in advance for your support of this event. Please make checks payable to "Stephen F Austin High School Project Graduation" and mail them to 5826 New Territory Boulevard #304, Sugar Land, TX 77479. **Sponsorships and Donations must be received by May 1, 2027 for inclusion on signage, drawing entries and announcements at the event.**

If you have any questions regarding sponsorship, donations, or participating at the event, please email us at ahsprograd2027@gmail.com.

Sincerely,

Stephen F. Austin High School
